

About BRACE CME

BARNARD INSTITUTE OF RADIOLOGY ALUMNI ADVANCED CONTINUING EDUCATION (BRACE), the highly successful focused CME conducted annually by the BARNARD INSTITUTE OF RADIOLOGY was first started in 2007 under the then BIR Director Prof T.S. Swaminathan. The first CME focused on Women's Imaging. Since then CME has steadily carved a niche for itself.

- 2007 – Women's Imaging
- 2008 – Central Nervous System Imaging
- 2009 – Musculoskeletal Imaging
- 2010 – Onco imaging
- 2011 – Chest and Cardiovascular Imaging
- 2012 – GIT IMAGING

BRACE 2013

PAEDIATRIC IMAGING - "PINNACLE OF IMAGING"

Dear Colleagues ,

Come july and it is BRACE time once again.

We proudly announce the much awaited BRACE 2013 - Barnard Institute Of Radiology Alumni advanced Continuing Education. This academic feast will be hosted by Barnard Institute of Radiology Chennai on the 12th,13th,14th of July 2013. This is the SEVENTH in the BRACE - CME series . Apart from sharing the knowledge in current imaging in paediatrics BIR alumni meet old friends and renew their acquaintances, as well as refresh and update their knowledge.

Paediatric Radiology is vital for the resident, practising radiologist as well as paediatricians. Hence this year`s theme will be on **PAEDIATRIC IMAGING - "PINNACLE OF IMAGING"** , covering from conventional imaging to current state of art imaging .

Other than our very own BIR alumni, we have reputed guest speakers specializing in paediatric radiology bolstering our own faculty this year. Special quizzes and posters are also on. We are limiting the registrants to 250 – on a first come , first serve basis .We solicit your kind cooperation and coordination in conducting the conference in a splendid and flourishing manner

Thanking You

PROF. K. MALATHY
