"DON'T MISS THE BUS"

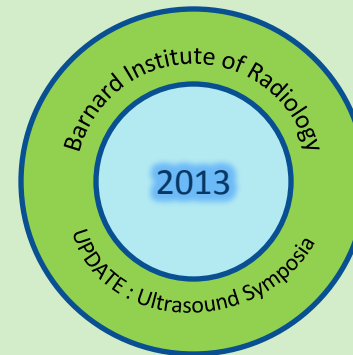

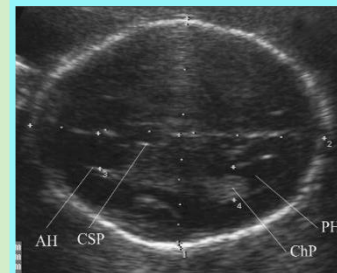

BARNARD INSTITUTE OF RADIOLOGY

USG SYMPOSIA

(BUS 2013)

"Basics to Best"

23rd & 24th of Nov 2013

Venue :

23rd Nov 2013 [Workshop]

College Seminar Hall, Madras Medical College

24th Nov 2013 [CME]

Hotel Radha Regent, Koyembedu, Chennai.

Organized by

**Barnard Institute of Radiology,
Madras Medical College, Chennai**

Welcome

Dear Sir / Madam,

From the renowned BIR, we bring you the IInd edition of **BUS 2013 (BIR USG Symposia) "Basics to Best"** to be held on 23rd & 24th of Nov 2013 at Madras Medical College and Hotel Radha Regent, Chennai.

With advancement of technology, we forget the basics and get attracted by newer techniques. We forget that a tree can't grow without its root firmly embedded in the soil.

Keeping this in mind we at BIR have decided to focus on basic topics on USG to build a strong foundation and also new trends in fetal medicine.

We would also like to demonstrate fusion imaging & GPS.

Reputed speakers with strong USG background have been handpicked to conduct workshop and to deliver crisp and clear lectures.

This will enable all Radiology and OG Residents associated with USG to focus on basics & established Sonologists to learn the latest advancements. Included are topics of value to beginners and new techniques for practising Sonologists and consultant Radiologists.

We invite you all to participate in this USG CME

Thanking You,

Prof. S.Kalpana
Prof.D.Ramesh
Organizing Secretaries

Prof.K.Vanitha
Prof. N.Kailasanathan
Organizing Chairmen

Registration Fee:

	Before 15 th Nov	After 16 th Nov	Spot[cash/DD]
